Pray Like Your Life Depends On It (4:7)

Let your prayers be fervent (white hot); Prayers that you heated to the point that they started to glow and unlock the power for clean living!

Passion City Church, “If we could see what happens in Heaven when we pray, we would hardly do anything but pray. Prayer moves the hand of God, causes things to change, and dispatches angels.”

Love Each Other Like Your Life Depends On It (4:8-9)

When you and I invite people into our lives, we're going to get close enough to see that they are really human. The goal, then, should be to treat each other with love, not gossip.

Who do you have in your life that's checking in with you on your soul?

Serve Jesus Like Your Life Depends On It (4:10-11)

Within the body of Christ, this masterpiece production of the Church, we all have a unique and significant part to play. We contribute selflessly. The only time your body brings attention to itself is when something's wrong.

I'm convinced that some people think church exists to serve them.

Feast Like Your Life Depends On It (4:12-13)

J. Vernon McGee, “The Christian life is a banquet, but it's no picnic.”

Resist the tendency to feel like you're alone in your suffering.

Someone said to a goldsmith, “how do you know when the gold's done?” He said, “I know it's finished when I can see my face shining back in the gold.” That's God. He wants to see himself in you so he's removing all the things that obscure His image in your heart.

Glory is around the corner! The end of your pain, trial, sickness, anxiety, depression, etc. is near!

Keep calm and carry on in prayer, love, service, and get the most out of life!

A total of \$406.25 was given for the Mother's Day Offering for Atrium Health Wake Forest Baptist Medical Center. Thank you to all who pray and give to these proven ministries!

SCBC is proud to host the **Camden High School and Early College Baccalaureate tonight at 6pm.** We've met with the graduates, and based on their feedback, we're changing things up a bit this year. The service will be a high energy celebration of the graduates' spiritual and scholastic achievements featuring more modern worship music and more student involvement. We will also take time to thank all the administrators, teachers, and staff that made this day possible. The dress code for the graduates is Camden colors (no cap and gown). We will also be providing food and beverages for the graduates and their families after the event. Questions: please contact SCBC 252-335-2069.

Graduation Recognition Service for all students, high school, or college, will be held **May 26th at 11am** as part of our worship service. Please let us know if you have or are a graduate that would like to be recognized by leaving a note or call the office with the graduate's full name, school name, degree/associate degree for college grads or for high school grads where they will go to college and the degree applying for. Also, let us know if your graduate will come to church and participate in the service.
